FOREWORD.

THE ALLIED ARTISTS' ASSOCIATION was formed early in 1908 to enable artists to submit their work freely to the judgment of the public without the intervention of any middleman, be he dealer or artist also. As opposed to all other existing art societies in this country, the Association is based on co-operation instead of competition, and exactly the same treatment is accorded to all members irrespective of their position or reputation. No artist who has made his application to exhibit before the specified date has been refused. Each subscriber has the right to show three works without submitting them to any Selecting Jury, and to obviate any possible chance of favouritism or the reverse, lots are drawn for the order in which the works shall be hung or placed. Further, at the first Annual General Meeting it was decided by an overwhelming majority that all members of the Association should be invited in turn to serve on the Hanging Committee, the invitations being issued in alphabetical order, to commence in 1910 and future years where they left off the previous year.

On the recommendation of the Hanging Committees, the rules governing the exhibition have been slightly modified and amended from year to year with a view to facilitate the delivery, cataloguing, and arrangement of exhibits; but the main principles of the Association are necessarily unalterable, and it is difficult to conceive a fairer or more democratic constitution than that existing. The keynote of this constitution is inclusion, not exclusion, and its aim is to preserve the liberty of the artist, to give him full freedom of speech in assemblies, and to maintain the principle of non-intervention as between one artist and another.

NOTICE TO EXHIBITORS.

Unless notice to the contrary is given in writing, this Exhibition will close on Monday, August 7.

All exhibits must be WITHDRAWN on Thursday and Friday, August 10 and 11, in accordance with Rule 19.

RULE 19.—The works exhibited must be withdrawn the third day following the closing of the Exhibition between the hours of 9 A.M. and 6 P.M. They will only be given up on the presentation of the Pink Notice initialled when the works were deposited; the above-mentioned term being passed all remaining works will be warehoused immediately; they will then cease to be in the charge of the Association and the carriage and warehousing will be at the expense of the exhibitors.

All inquiries with reference to Unclaimed works must be addressed to the Association's Agents, Messrs. Chas. Chenil & Co., 183A, King's Road, Chelsea, London, S.W.

Messrs. CHENIL's charges for removing unclaimed works are 1s. per picture not exceeding 3 feet in length, 1s. 3d. per picture not exceeding 4 feet in length, and 3d. per foot for larger works.

Messrs. CHENIL & Co.'s charge for warehousing would be 2d. per week for works not exceeding 3 feet, 4d. per week up to 6 feet, 6d. per week up to 10 feet, and proportionally for larger works.

RULES RELATING TO THE SALE OF WORK.

1. Information as to the prices of works may be obtained at the Secretary's office (ground floor, east of main entrance), or at the desks of the acting secretaries in the galleries.
2. Purchasers are requested at the time of purchase to sign the Sale Register and to pay the usual deposit of 20 per cent on the purchase price; which deposit, in case of failure to complete purchase, shall be forfeited to the Association, and dealt with as the Committee of Management shall direct, and the contract shall be null and void.
3. At the close of the Exhibition, and only after payment of the remainder of the purchase money, the work will be delivered to the purchaser, or his agent authorized in writing, on application at the Royal Albert Hall.
4. The Committee of Management does not hold itself responsible for errors in prices, and reserves the right to cancel a sale.
5. Any purchase effected by, or with, the artist direct must *at once* be notified to the Secretary, and these rules complied with, otherwise a sale effected by the Association shall take precedence and supersede one made privately.
6. The copyright of each work in the Exhibition is strictly reserved to the artist, unless special agreement to the contrary is made.
7. Each work, for the purpose of these rules, shall be considered the subject of a separate contract.
8. The Committee of Management accepts no responsibility for any loss or damage that may occur to works placed in the Exhibition. The artist, owner, or purchaser should cover the risk by insurance.

supply of
HARBUTT'S PLASTICINE
in your studio.

It is invaluable both for large and small models, for preliminary studies of composition, and for roughing out designs. Clean to handle; does not dry, crack or shrink; requires no mixing with water, but is always ready for use.

Testimonial from Mrs. L. JACKSON CLARKE, St. John's Wood, N.W.:—

"I have used your Plasticine for 5 years, and cannot imagine anything more convenient and suitable for modelling small figures."
